Welcome to the PMI Germany Chapter

Your Network for Project
Management in Germany

Project
Management
Institute.
Germany

What is the PMI Germany Chapter?

- **A Strong Community in Germany**
- Part of the global PMI network (over 750,000 members worldwide)
- Over 8,000 members in Germany
- More than 25 Local Groups nationwide
- Around 200 active volunteers

The Chapter connects project managers across Germany.

What the Chapter Offers You

- Make new contacts in your region
- Attend events
- Develop your project management skills
- Earn PDUs for your re-certification
- Actively shape the Chapter as a volunteer

You become part of an active community and help shape it.

Where Can You Connect with the Chapter?

- Events in your region (Local Groups)
- Professional exchange in Communities of Practice
- National events like the PM Summit
- Virtual offerings – available anytime

The Chapter connects you locally, nationwide, and digitally – no matter where you live.

Our Key Offerings

How the Chapter Supports You

- Events – in person and online
- Professional exchange in Communities of Practice (CoPs)
- Mentoring programs
- Study Groups for certification preparation
- Knowledge & information through our own magazine, newsletter, and other channels

Events

In-person and online

Communities of Practice (CoPs)

Professional exchange and knowledge sharing

Mentoring

Leverage experience, learn from each other

Study Groups

Learn together, achieve certifications

Knowledge & Information

Magazine, newsletter and more

Diversity & Social Responsibility

Promote diversity, live responsibility

PM Summit

Germany's largest PM conference

Benefits & Offers

Discounts, marketplace and partner benefits

Academia

Supporting talent and future professionals

Communities of Practice (CoPs)

- Share concrete project experiences
- Discuss current topics (e.g. AI, Agile Practices, Risk Management)
- Develop solutions for real challenges together

**Here you learn from each other,
grow professionally, and drive topics
forward together.**

More Than Knowledge: Why Engagement Matters

- Actively expand your network
- Become visible in the community
- Exchange ideas with experienced project managers
- Bring your perspective and help develop topics further

You grow – professionally, personally, and within your network.

Get Involved and Help Shape the Chapter

As a volunteer you can:

- Organize and support events
- Contribute to communities
- Actively shape initiatives (e.g. Diversity, Social Responsibility)
- Develop your leadership and project management skills

You gain experience, take on responsibility, and grow through hands-on practice.

Achieve More with PMI: Knowledge. Network. Development.

As a PMI member, you gain access to:

- Access to PMI standards and expertise
- Webinars, templates, and practical tools for your daily work
- Exchange with project managers in Germany and worldwide
- Benefits for PMI certifications and professional development

**You combine global knowledge with local networking and apply
both directly in your day-to-day work.**

How to Get Started – and Stay Connected

- Attend one of our events – find dates in the event calendar
→ Meet people and discover topics
- Join a Community of Practice (CoP)
→ Contribute your expertise
- Take on a small task
→ Start volunteering (as little as two hours per month)
